VIGOR OF MIND AND BODY.—Every person would have more vigor of mind and body and mental clearness were they to use as daily article of diet unbolted wheat flour. Bread manufactured from such food is the poorest, richest, and least liable to become diseased. The most desirable way is to mix with the flour dry Dr. Price's Cream Baking Powder, stir in pure water, from a soft batter, bake into gems or biscuits, in a hot quick oven, and the result will be the sweetest, most wholesome and nutritious article of food that can be made; and his special flavorings of Vanilla, Nectarine, etc., are the purest and easiest.
